

Full-time teacher required

Salary: between £20,000 and £25,000 depending on experience

Gardens Montessori consists of two well established, highly regarded, family-run schools in Kensington. We are looking for two full-time teachers to join our bubbling community at the larger school, Iverna Gardens Montessori: one to start immediately, and one to start in September 2022. Our schools are MEAB accredited and the same love, philosophy and excitement run through both, with Victoria Road being like a family and Iverna Gardens a community.

Why come to join us?

We are well established both in our local area, and in the Montessori world. We care deeply, not only about the children in our care, but also the teachers and parents, and are here to guide and nurture all. We strive to help children develop within their natural abilities, understanding the importance of building blocks being in place in order for later learning to thrive. We not only want to teach the child to develop physically and cognitively, but also nurture their emotional and spiritual being. Our strong team is passionate, happy and friendly. We have a forest school (which we attend at Victoria Road) and a lovely outdoor space.

What are we looking for?

We are looking for a candidate who is passionate about Montessori and working with young children to come to join us full time at Iverna Gardens Montessori. Ideally, we require the candidate to have a Montessori diploma or higher. We would like someone with a team spirit who is creative, adaptable and enthusiastic. There will be a chance to learn and grow as a teacher as you will have professional development training and continued mentoring. There is also a chance for career progression as it is possible to take on more roles and responsibilities.
