

PAINT POTS MONTESSORI SCHOOLS

We introduce children's imaginations to our existing world and encourage them to find their own path of understanding. We guide them to see the importance of independence, determination, motivation and choice. These key terms encourages the children to identify which doors they want to walk through.

You and your wonderful team have truly given our little girl the best possible start to her academic journey and I cannot thank you enough. The thing that makes working at Paint Pots so special is feeling like you are being welcomed into the family. A key principle at Paint Pots is not only recognising that each child is unique. It goes much further than that. Every adult and family is unique as well. Paint Pots has always supported me, and there is always someone at the end of a phone or a dog walk away to give advice, support and encouragement when needed. The opportunities which lie within the schools are amazing and it is a privilege to say that I work for such a reputable school.' - Miss Jess, Head Teacher
