

Manager for Montessori nursery school required from September 2022

Salary: between £25,000 and £30,000 depending on experience

Gardens Montessori consists of two well established and highly regarded schools in Kensington. We are looking for a full-time manager to run our smaller school, Victoria Road Montessori, from September 2022.

Why come to join us?

We are well established both in our local area, and in the Montessori world. Our strong team is passionate, happy and friendly. We have a forest school at Victoria Road, attended by both schools, and a lovely outdoor space.

What are we looking for?

We are looking for a candidate, with a Montessori diploma, who has experience in management, and is capable of running the nursery, which consists of a team of three. The successful applicant will be supported by the management team at Iverna Gardens Montessori as the two schools work closely together. We would like someone with a team spirit who is creative, adaptable and enthusiastic. There will be a chance to learn and grow, with professional development training, and continued mentoring, all being offered.
