

New and Enthusiastic Teacher for Montessori / Forest School Early Years Setting in Chiswick, London

We are looking for someone who is passionate about Montessori and Forest School education, nature and the outdoors. We blend two fantastic pedagogies; Montessori & Forest School with a sprinkling of Reggio Emilia thrown in too! We are fortunate enough not only to have a large garden but also a small forest that runs alongside the Nursery. The Nursery children have access to the forest every day and we also run afternoon sessions and after school clubs for local primary schools.

Candidates must be flexible, hardworking, able to follow the children's interests and extend and plan their learning accordingly. This is a really exciting opportunity for a new and enthusiastic teacher or someone who is looking to enhance their teaching experience. Please take a look at our instagram page [@greentwigsmontessorifs](#) to give you a better understanding of what we get up to!

The position is available from April 2022, we are term time only, potential for extra work during our popular holiday clubs.

Ideally candidates hold the Montessori diploma or level 3 equivalent and or Level 3 Forest School Diploma.
